## Photo/Video Use Policy

Including photos and videos (in our newsletter, website, blog, and social media sites) of parishioners and events at Grace Episcopal Church is a privilege for us, and we intend to respect and honor it. Therefore:

- Photos/videos are almost always of people in public spaces, and/or at public events.
- We will not knowingly post anything that would be embarrassing, objectionable or hurtful to anyone in the photo/video.
- We do not identify children or youth by name in the photos/videos we post online. Adults may occasionally be identified only if prior permission is given.
- Occasionally, youth are identified (by first name only) in photos and media used internally (e.g. on the private youth Facebook group). We require parents' permissions to do so for youth under the age of 13.
- If copyright for a photo/video is held by someone other than Grace Episcopal Church, we will receive permission to post it and gladly provide credit if desired.
- We will gladly remove any photo/video upon request. If you see a photo/video that includes you or your child and would like it removed from the site, please call 770-536-0126 or notify the [site administrator](#) (or an adult Youth Leader for pictures not online) with the details.

We ask for your respect in return. Unless otherwise indicated, photographs and videos on our website, on our parish blog, on a Grace Church managed Facebook page, or through our Twitter account are the property of and are copyrighted by Grace Episcopal Church and may not be used for any purpose (including but not limited to: downloading, printing, distributing, linking) without permission from Grace Episcopal Church.

Please call 770-536-0126 or write to us at 422 Brenau Avenue, Gainesville, GA 30501 if you have any questions or concerns about our Online Photo/Video Use Policy.

Thank you!!
